OT V

Cause Over MEST Gain Freedom from Fixated Introversion into MEST

For eons, man has speculated and guessed about the nature of the physical universe. There have been many opinions and much discussion. Even the modern physicist, with his many names and labels, is still in the dark when it comes to how it got here and why. Before Scientology, the exact truth about the MEST universe was lost, and the way out of the trap unknown. Lies and misinformation had taken the place of the truth.

In 1967, L. Ron Hubbard released Section V of the Operating Thetan Course, the most powerful level released up to that time. On OT V you learn the truth about the physical universe, not the laws of physical scientists, but the basic considerations about Matter, Energy, Space and Time.

The tremendous power that this universe seems to have over thetans resulting in entrapment, degradation and death, is traced to its source.

As you exteriorize from the physical universe at Section V, you discover exactly what MEST is, and become free of its laws.

At OT V, a being is refamiliarized as a thetan exterior with the physical universe. OT drills are done to remarkably increase a being's ability to communicate with his environment. He is now able to do so, totally free of the mind and body, and free from a fixated introversion into MEST.

Solo auditing on this level serves as an introduction to the rehabilitation of his total abilities as a thetan. He learns to use his new abilities as a thetan with wisdom and judgment.
